Each of those on TO and CC list personally KNOW me as I visited over 50 top level official offices in just past 2 years working with my growing team to REFORM and UNIFY all mankind starting with Law Enforcement and Military.

PRIME: LTC Arlene is held 100% accountable for ensuring clearance of Keith Brent Duncan DOB 1958-Aug-15 remains VALID and top level Military and Philippine Gov Officials are immediately NOTIFIED and sent this ONE EMAIL. I would rebroadcast to entire world if I can FINALLY find the best Intl News Press or person who actually HOLDS authority.

WHY has DUTERTE NOT ever been informed and asked to directly send an escort so I can meet with HIM and VP Leni Roberto. WHY? NO one ever does any followup.....

I have not embedded ANY URL links or attachments as most email servers auto-delete as what.. spam????

The MILITARY and PHILIPPINE GOVERNMENT has vast resources that are NOT being utilized efficiently to STOP the civil wars, stop EKJ, destroy political dynasty crime families, and restore GOD's kingdom of Paradise here to Philippines as PRIME answer to rest of our world who are enslaved by GREED and the worst cybercrime attacks in world history.

Cell phone cybercrime is rampant with simple devices such as

<https://en.wikipedia.org/wiki/IMSI-catcher>

1. Contact keith for final invitation List so NO ONE will be left out on WHY this is the only answer solution to UNIFY all mankind.

2. **The list of invited persons is extensive.** Yet because I have no direct daily computer or access to LAND LINE, it is UP to commanders of Military, PNP, Philippine Gov top leaders to ensure THIS actually MAKES INTL News Press Conferences. This remains the MOST VITAL answers to INTERNATIONAL SECURITY by removing almost all threats to our people with simple off shelf technology and fast Migration of 'secret' databases into the public domain of URLIDENT.com

3. **I may be gone in next few days as USA GOV is demanded** to protect my life just like I have requested all other world leaders and governments to PROTECT the most extensive intellectual property that is hereby most humbly GIFTED to all of mankind to UNIFY our world by removing all dynasties and crime networks forever.

The AGENDA is quite simple.

- A. **45 minute video recorded presentation** of WHY these are the only military deployed answers to create new world society OPEN to all public, law enforcement, and military in that exact ORDER.
- B. **One hour open forum discussion** to address any and all objections at any level. This is also WHY video recording was requested and WHY PRESS MUST be included.
- C. Even having closed door session FIRST, then inviting PRESS to RE-HEAR the true evidence in the following 2 hours is a BEST STRATEGY so we can protect any 'secrets' discussed by MILITARY top commanders.

Either WAY, all these answer solutions are the ONLY methods to UNIFY all mankind and remove the need for absolute waste of CIVIL and military energy and dominance wars.. Again. THE USA GOV is on verge of absolute COLLAPSE because of the crime dynasties that are embedded INSIDE almost all USA based corporations and GOV agencies. We call them Cybercrime Terrorists....

Over \$500 Million USD will be transferred TO Philippine NGOs from USA GOV and criminals based ONLY on their very own signatures on certified court documents Norfolk VA 4:11cr112 per F.O.I.A. that is also solved forever with this one universal standard unification database.

Aug 7, 2017 Historical meeting at USA Embassy with DOJ-HLS Lamont Siller at 2 pm to command USA Gov find ROSE and all other criminals using these only solutions to empower mankind to quickly identify who are criminals, unknown, and honest persons of known integrity. I invited Nathaniel Laxa (anti terrorist expert USNAVY) and also have direct cell phone of General Restituto Padilla AFP Commander and thousands of other eyewitnesses to turn OVER to world. I also visited Capt Jesser Cordova (63)2-452-3002 at NAMSSA.net today to show

world how to secure all ports of calls and points of any transactions. Anyone who refuses to TAKE ACTION is immediately found guilty of Obstruction of Justice + other crimes.

This is the Artificial Intelligence repository that seizes the 'Criminal Ruling Elite' profits by everyone shunning all crooks by their own criminal evidence and actions using one International ID # and Face Recognition bio-metrics through citizens eDevice monitoring and real time reporting. Each time any person travels or conducts any business transaction, the checkpoint will involve a simple hi-def photo along with photo of any related travel, business, or Identification documents. Combined with height scale and optional weight scale, a short video interview of 5-10 seconds will capture the voice print as well as timestamp and GPS location. Background face matching and document text recognition will confirm almost instantly if the person is authenticated, unknown, or a criminal. The Intl Press Media must go VIRAL to rebroadcast any of these new world standards to eliminate crime.

This has NEVER been implemented anywhere as a unified international standard that will forever banish and identify all criminals BY, FOR, and OF the people for the reasons stated below. This is also WHY Keith Duncan is the #1 top anti-crime expert in the world as the first and last evangelist crusader of spiritual and even 'divined' origin. Use BidOnKeith.com today. Update July 27, 2017. At exactly 3.5 years since I was dumped on street Jan 28, 2014 by USA GOV after so many specific persons committed one of the longest list of felony capital crimes, this truly conclusively shows that almost all law enforcement criminal databases have been infiltrated by ROSE and other terrorists. This is WHY URLiDent is the ONLY answer to replace all 'secret' eDatabases with one open public databases. All criminals working inside any Corporation or Government agency will be quickly identified by their very own coverup conspiracies and crimes reported by 7.5 billion of my loyal honest citizens. There is NO other choice. The Norfolk VA USA case 4:11cr112 is the most powerful case of world Landmark Miscarriage of Injustice of robbery, stalking of keith, kidnapping, murder, treason, espionage, attempted murder, and destruction of all related documents and assets.

July 4-6, 2017 USA Independence day. I personally visited NBI Dep Dir Ferdie Lavin + 4 of his crime departments(Cybercrime, Human Trafficking, Fraud, Anti-Corruption) to show how URLiDent.com makes them world famous leaders in preventing almost all crimes in the first

place. The USA Gov was directly contacted and educated Nov 2010, Sept 2011 to present on the EXACT world changing solutions. Few have responded because of the massive political corruption reasons broadcast. Who contacts Keith now?

Interpol and almost all other Gov + corporations were criminally infiltrated years ago. There is NO PRIVACY of citizens since criminals keep and hide all the secrets while stealing/perverting/forging your digital information and extorting others by exposing your vices, sins, and crimes. Does anyone think criminals are openly public? Everyone must contact and use #1 Anti-Crime expert Keith's methods to spotlight all rogue agents so humanity can finally identify the rest of all criminals and terrorists worldwide. Interpol and all governments have a professional, legal, and civic duty to protect Keith's life and intellectual property to prevent other criminals from destroying the only methodologies to free our world of all crime networks. Use BidOnKeith.com today to book-hire #1 world anti-crime expert and to FILL Stadiums and Arenas with 7.5 billion people as Evangelist Billy Graham and others have done ! TheFinalTerrorist.com PCTerror.com ClearCollarCrime.com HostageForProfit.com explain in exact details WHY our world is being destroyed + WHY no one has risen up to educate our people on how to PREVENT crime in the 1st place. !

With this one universal public database using Intl ID, auto-match of Face Recognition, weight, height, and video recorded transactions including travel, banking, contracts, and all agreements, NO CRIMINAL can freely travel, trade, or conduct any business or crime. 2. The next 8 digits are your registered birth Year, Month, Day. Format: YEARmmDY
3. The second 5 digits is a unique sequential number that represents the order of each person registering their birth country and their own birth date. This makes each international Identifier unique. Face Recognition scan matching eliminates all ID theft and criminal forgeries.

The international use of world famous SolutionBankFraud.com eliminates all cyber criminals and terrorists once and for ever.

The world use of **ProfitShareHolders.com** eliminates all corrupt corporate executives and actively prevents aALL stock market crashes and insider day trading criminal trading + any speculation computer trading. All crime networks are systematically exterminated by majority will of my-our people thereby eliminating all terrorist cells, liar-lawyers, corrupt judges, scalawag law enforcement, and criminal gov agents forever.

June 15, 2017. Interpol was criminally infiltrated years ago along with almost all other corporations, Gov, and law enforcement agencies. Contact Mark Zuckerberg(FaceBook), Microsoft Bill Gates, Cisco, and all other top CEOs and banks to make this one Open Public database their own reality. All criminals will surrender or be man hunted by all 7.5 Billion people using face recognition and bio-metrics that kills the 666 Mark of the bBeast. Robert Dee Rose will be ManHuntRose.com by all criminals, law enforcement, churches, and public for the most massive crime spree atrocities in world history shown as TheFinalTerrorist.com. 3rd hand report from CIA agent claims ROSE is in Atlanta GA under AG Federal Protection Witness Program to testify against his father Alberto Rosi. Who can confirm ANY crime at all? anyone? Rose would have been dead Oct 2011 if Military did their job.

June 16 I visited Microsoft 6750 office Makati and Cisco to enlist their help to GO PUBLIC on this world changing-saving only solution as all benefit from the most massive marketing campaign in world history resulting in UNIFICATION of ALL MANKIND.

June 4, 2017 I personally share with Resort World @Manila airport HOW to prevent almost all rogue and terrorist infiltration at their front doors by screening with Intl ID, weight scale, height entry photo, and short video interview. Anyone not registering as honest is immediately rejected or even arrested if Evote.ONE world citizens show this person is a security risk. No more identify theft or deceptive terrorist attacks as all citizens use wearable OCTV to combat all criminals.

GO PUBLIC today as directed ! Jan 14, 2017. Interpol contacted AGAIN today with this Homepage content shown to world on the PDF file at top of this world changing homepage. Interpol has been criminally infiltrated because they have NEVER done required callbacks and escorted Keith personally to Lyons France to debrief on HOW to destroy all crime networks. Therefore, 7.5 billion people will descend on Interpol offices to DEMAND they comply with International Laws to protect the one man who is world anti-crime expert. of all time. Simply dispatch Military, FBI, and Interpol Deputy Dir Ferdie Lavine (63)x920-901-0964 to come find Keith in Manila and personally escort him back to AFP and President Dutertes offices as he works full time for GOD, Humanity and all world leaders. This has always been clear and truthful in all respects this entire time.

June 2, 2017 The terrorist attack last night at Manila Resort World was reported 3rd party as possible multiple men. Gas bombs were used to kill 38. I learned this from a dear friend who is ex

military and has CIA connections. I was at Resort World one week ago (pre-attack) and asked to interview their Owners and security staff to show them URLiDENT.com and how face recognition identifies all incoming persons to FILTER who is honest, shady, versus terrorists + unsaved criminals. I work for Philippine Marine Security Agency for past 3 months now.

THIS is ALSO WHY I am top Anti-crime expert in the world and WHY all gov and military along with PRESS MUST respond with simple call-backs and interviews resulting in MASS world Press Conferences to finally show our world HOW to prevent almost all crimes in the first place. WHO will be the first to FIND KEITH, protect his intellectual property, and GO PUBLIC with Press Conferences to show entire world HOW to eliminate almost all crime network by use of AI technology I started +40 years ago. March 15, 2017. Read all below and Take Action! This is the most powerful recent direct FAX sent to Interpol today. Direct to INTERPOL. Why has no one at Interpol returned calls or done any followup with the #1 Anti-Crime Expert Keith Duncan. Philippines cell (63)917-335-4300? Have you been cyber infiltrated also? The leaders of all nations will be OUTRAGED that no one does followup and actually flys Keith to your headquarters to personally debrief and show how URLiDent.com identifies all world criminals in the first public open database using confirmed evidence from any citizen. For the compartmentalization and 'secret' database are exactly how criminals destroy digital evidence by super criminals like Alexander Cyclone Covey of Atlanta GA USA using AgileLaw.com to access military, corporate, and government evidence and highly classified documentation. Anyone can see from the news the abject poverty worldwide caused by the most horrific one way transfer of wealth to those collectively known as 'the criminal ruling elite'. When will your key criminal investigators actually contact Jurgen Stock and your top level director commissioners and actually TAKE ACTION. That is all that has ever been required and even commanded by all people.

Start with calling Philippines NBI Deputy Director Ferdie Lavin on his personal cell (63) 920-901-0964 as he has massive evidence sent to him over the past 8 months. Email kduncan2005@gmail.com and Interpol fld@nbi.gov.ph Nbi.fldinterpol@yahoo.com and nbi.fld.interpol@gmail.com I send a copy of this to them directly ALSO to MOTIVATE everyone to actually TAKE ACTION to destroy all crime networks with SolutionGovernment.com For corrupt politicians have always been the prime reason for the destruction of mankind civil and human rights. When will INTERPOL actually TAKE ACTION? Or will you also be overthrown by the criminal networks who have already infiltrated almost all other government and law enforcement agencies? Contacting Keith Duncan is your prime focus to find out WHY he is the #1 top anti-crime 'white-hat' expert.....

As a prime architect consultant, the most powerful and effective transfer of extreme knowledge has always been video recorded Q&A board room style presentations and Press Conferences to ensure

rapid exchange of the most practical and cost effective methodologies are put into standard daily practice. On Jan 17, 2017 FatherKeith was guest master educator on Philippines President Information Agency TV broadcast uploaded to youTube as #431 on theTruthVault.com describing the top level of total world economic reform unification as the #1 evangelist crusader in current history. PNP Region 2 headquarters was debriefed again today with General Rasco and General Bata Dela Rosa requested to contact Keith along with the top Commissioners of NBI, Immigration, COMELEC PNP, Military, and President Duterte to ensure these standard best practices become our new world society reality. BidOnKeith.com is worth mega millions in redistributed contracted wealth to teach our world how to replace corrupt individuals.

All designed to PREVENT intrusions while maintaining design perfection to prevent outages and failures at all points of exception handling. YOU ARE BEING ATTACKED. World LEADERS will indeed be OUTRAGED that I work for them and YOU have NEVER responded or offered to FLY me to LYONS France to Q&A discuss HOW to rid our world of all criminals once and forever. It will take about 6 months to 3 years BECAUSE of the huge political nightmare that prevents FUNDING from actually being used to PROVIDE point of access service and the other systems designs that ensure open PUBLIC access with out criminal intrusions. That is also one of my prime expert skills of BidOnKeith.com SO WHO will actually call USA citizen on Cell (63)917-335-4300 as I can easily POST this ONE eFax for the rest of our world to SEE. I truly HOPE that you are not besieged with hundreds if not thousands of people and the PRESS for your abject failures to ever respond. ONE CALL BACK or email to Kduncan2005@gmail.com and YOU / Mr. Stock / and the world will see the TRUE reality of what I have broadcast to our entire world.... With total humbleness from my perspective, you should REALLY be ashamed of never doing simple FOLLOW-up to find out WHY and HOW this solves the #1 cybercrime and other crime issues worldwide...

The United Nations have also been debriefed and directed to use SolutionUNI.com to forever remove all international criminals and conflicts using principals of Integrity seen on SolutionGovernment.com, SolutionPeace.com StNicksList.com based on SolutionFinal.com tied into SolutionRedDot.com (original) delivered TO Langley AFB VA Sept 25, 2011 Intelligence.
