World rebroadcast. Yes, 100% true, I have been victim of #1 cybercrime Terrorist Robert Dee Rose since Nov 4, 2007 as he alone extort blackmails and even murders eye witnesses of his most extensive infiltration of USA GOV, corporations, military databases and enterprises with AgileLaw.com and other clearCollarCrime.com RICO billion \$\$\$ valued crime network cabal enterprises. He remains free at OneOceanBahamas.com because each person with any authority violates Constitutional Laws starting with Obstruction of Justice, aiding and abetting these terrorist networks, and other crimes against humanity by their REFUSALS to simply HOST the required Press Conferences. For all these WORLD broadcasts are EXACTLY what topples the fake news media, destroys crime networks, transfers TRILLIONS of \$\$\$ of YOUR stolen assets back to you, my most beloved +7.6 billion people.

When world is EMPOWERED by the ONLY answer solution series driven by eVOTE.ONE and one international open public database URLiDent.com, each person becomes the eyes, ears, and spokesperson of their communities to eliminate the original 3 Chinese Monkey syndromes of

1. See no Evil. 2. Hear No Evil. 3. Speak No Evil. Until everyone directly address the most massive corrupt politicians, corporate executives, and underground crime enterprises will our mutual world actually PROSPER and THRIVE with UNlocracy. My soon prophet step Son Ezekiel told me. "No Dad, there are FOUR Chinese monkeys. The fourth one is POOP no EVIL'. From the mouth of your future spokesperson as he speaks the absolute truth that our world is being CRAPPED on in all respects because of Matthew Chapter 23 (123 punch) of bigots, racists, hypocrits, cynics, blinded fools, + criminal broad of true serpent vipers. This extremely large group are the Criminal Ruling Elite and their slaves who are bound to serve their masters or be slain by martial law, 9/11, terrorist attacks, poisoned food/water, and any other gas of the most deadly smoke and mirrors deception of uneducated masses of .. lets use the proper words, morons, drug addicts, peons, imbeciles, sinners, criminals, and just plan lazy people who have no clue their own assets are systematically drained from their blood to empower those who are criminally in-depth.

The absolute #1 reality is that I work FEARLESSLY for GOD and humanity this entire time, all 59 years of my life. I have invested my life fortune, lost 90% of it to ROSE, Bashama, Duncan Clan (all of them), lost TO my pre-paid lawyers, LOST to USA GOV criminal agents, and of course LOST everything but my GOD gifted soul. For I still HOST PRESS CONFERENCES almost every day. SEE what happens when BidOnKeith.com GOES PUBLIC to world leaders once and for all... Yes, you owe me big debt by now. All those hundreds of hours of direct training and education and current result is zero... just like rest of world.. ground zero.... genocide of my world and yours...

False promises and inability to LEAD others is exactly why our world tumbles into genocide. False promises after being trained and paid is exactly why so many have victimised myself and most of our world. Here is todays world re-broadcast call for THEM to HOST PRESS CONFERENCES> GO to PRESS, USA GOV, and all top leaders with THIS and see that I have been RIGHTEOUS in name of my FATHERGOD this entire time.....

The most shocking motivating reality are the crimes against humanity occurring world wide to drain the life blood from my people. Few if anyone sees the AntiChrist plans that reveal self Genocide of human race at ROSE and satanic hands. All done out of smiley 'profits are the only goal that matters', 'there is always more money to be made in the market', and HOW can one murder, rape, pillage, and plunder for pure profit and never be held accountable for anything. Pure layering of criminals by red tape paper chase conspiracies is the true reality of Cybercrime terrorism.

Almost all of my world is 'too busy' mindlessly worried about anything that affects their security, self-benefits, pay, and ability to overthrow others for personal financial gain.

He is similar to so many of my world people who are brain washed by absolutely STUPID brain washed propaganda to believe the

worst lies about true reality. Told lies repeatedly with idiot logic, most people have no clue they are slave traded by AntiChrist MonkeyKing.info rulers.

Exactly WHAT is the prime objection of ANYONE, including focus on WORLD leaders to NOT use any of these world saving answer solution methods... Is it pure BLINDED GREED and super criminal enterprises that RUN our entire world.

Clearly YES. For this has always been exactly what is occurring throughout history. The Rise and FALL of mankind since few ever learn how to actually fearlessly protect the rights of all others. Same occurred to most great Fore Founding author inventors broadcasters of TRUE social justice and peace. They were often kidnapped and forced into HELL jail as political prisoners of the top religious leaders and politicians to PREVENT the showcasing of the actually lowest level and most highest criminal enterprise linkages. This is the total web of deception as THOSE who control our electronic databases and have SECRETS are those who control entire world.

SOLVED forever and PREVENTED forever with these only answer solutions that are truly 'unhackable' and fathomable in our new world society. Based on 100% decision based Will of Majority of our-my 7.6 billion people, our world decides to self destruct or prosper the ultimate free will choice of collective mankind. Those who abuse others are quickly put OUT of society by auto face recognition OCTV and their own criminal evidence showcased by all collective victims on universal standard URLiDent.com database started Aug 1976 N.C.S.University Raleigh N.C.

Many say, OH just FORGET about the tragic losses I have expired as NO ONE left who actually upholds EXISTING man made laws.

3rd presentation. Fredrik Haren. @Fredrikharen. voiceRecord 1:45pm. Sweden 'The Idea Book'. Creativity at personal to top business levels. Singapore, Japan, based now, 20%. South Korea is lowest 2%. USA, China are high 90%. 3rd Q. Is my-our company creative culture benefits employees. What is an idea? Combines 2 answers into new solution. Combine sink with urinal. Wash your hands ABOVE the urinal. Saves water and time. One stop shot. Men now wash their hands.

Idea = p(k+i) Person (knowledge +ADD Intuition) . Assume only if one talks about building Billion \$\$\$ company, expects that person to ALREADY have done it. Tidemark 1:53. Notebook + book = netbook.

Average business book sells 3,000 copies over its lifetime. I sell Acts of Wisdom = Plans of Salvation this entire time. SELL, or gift to world? Most powerful difference is the legacy heritage I leave behind.

Idea + Perception = time perception to change our mutual world. The book industry. Now it's facebook. Story about germans 2:03pm. Swim diagonal if no one in pool. Few people BREAK the cult brain washed ONLY way to DO ANYTHING>>>. Make our people MORE creative.

I shared with Dan and Lems to assume they are wealthy already. What would they do with rest of their lifes. He could not answer..

4th session Andy Stanley 3 min video. Audio 3:20pm. Why did NPCC grow so fast. We had a uniquely better product/service. They did church NEW-Different. NPCC is 20 years old. I started attending back in 2005 era, they started 1997. kduncan2005@gmail.com when I was creating full-scale world ministries. Example: Segway 2 wheel gyro transport. Unique is not enough. Need magnetic appeal. Engagement experience for family, focusing first on men. Step Up was the Kelly run every Friday am. men's share group ministries I attended for years. They helped start the Music Venue layout. He is wearing the same mic system I had \$1200 Shure system tied to my remote MacBook 17", 15" 11" worth BILLIONS in Intellectual property sold off to ROSE and ?? Terrorists of the most comprehensive ANTI-CRIME anti terrorist R&D answers delivered directly to FBI, AG, then USA Military up to Sept 25, 2011 Langley Airforce Base.

3:27pm. Shared assumptions cause STUCK. Stuck when no one knows how to FIX a base issue, including World War Holocaust. Somewhere someone is pioneering new uniquely better than the BEST answers. Quote: 'You be the Judge' is eVOTE.ONE. I refrain from adding 'In a NutShell'. For I was

declared a nutshell who was insane and incompetent when NO violation or crime COULD have occurred. Great and easy way for terrorists to rid themselves of GODly whistleblowers who are apostle, disciple, even SAINTS sent by GodSendKeith.com FatherGod = FatherKeith.com to unify our world.

So unique, it's WOW factor can not fathom the cause and effects. Multi-Sight site church technology is simulcast broadcasts as Andy shows up at one of his churches (unannounced where) to speak to his follower-partners in crime. OH I meant Holy worship partners in fighting crime. Willow Creek created a new paradigm of educational two-way worship. OH. 2 -way is STILL not completed without using the prime solution answers of LcStand.com PhoneCradle.com under CreatorKeith.com INC registered SEC world ministries.

Recognise rather than RESIST. This is the objections of top religious and corporate and government leaders who REFUSE to see that Solution5sTeps.com solves any problem.

UNIQUELY Better. **1. Be a student, not a critic.** He speaks of visiting pastors in back of early services who watch, and LEAVE. No one called Andy for lunch or to visit. WHY AM I the ONLY person going to all churches, including gifting Sandy Stanley the above 100% digital teaching system exactly Thanksgiving Sunday, 2010 right when ROSE antiChrist was robbing my Intellectual Property so many times, I lost count... and Ms Bashama showed up at NPCC single Christmas Party Peachtree Rd 1,000 herons event.

Andy quote "the next generation product and idea almost never comes from the previous generation". K: Why I am the most prolific author inventor keynote speaker God's rights activist persecuted by so so many? Same occurred to all of GOD's messianic messengers who refused to bend over to the BULLY Criminal Ruling Elites.

2. Keep your eyes and mind wide open. Listen to outsiders who are experts in other arenas.

Outsiders are not bound by our restrictions. Common critic: "That will never work because of " That's impossible. Closed minded leaders close minds. This was Andy's own minister AT NPCC who told me to GO AWAY when I offered them the \$1 Million USD pledge since I did not PLACE cash in his dirty little hands. Includes NAMB.net at 770-410-6000 featured and contacted back in April 2014.

3:43. How do you respond to staff based on what they see and report on other organisations? (focus on emotion). Most RESIST. Pride, ego, vanity. Some of the original sins of vice. Gina Lopez guilty as HELL for what she refused to do with TurnOffLights.com SolutionSafeWater.org as well as my very own cousin David Fountain, President of Duke / Carolina Power in Raleigh NC my home N.C.S.U.

3. Replace HOW with WOW ! Nero Neuro scientist. Sam Harris PodCast. quote: We must pay attention to the frontiers of our ignorance." Who is curious about un conquered pioneer frontiers. We keep learning, we keep living and growing. Otherwise we DIE. **Replace HOW with WOW !**

How can we fund it, How can we do it, HOW is this impossible....

How much does it cost to open up brains to UNITYurl.com and HOW this unifies mankind at every level.

"WOW ideas to life, don't HOW the to death". Nothing is gained until you ask and find out what are your people dreaming about.... One student said he wanted ANDY's job. He responded GREAT !!

3:52 pm. He speaks about wife's who STEAK our ideas to death. Fear is their common response and WHY my own wife went criminal. They do this because husbands seldom complete their dreams. My marriage failed because my wife STOLE and FROZE my earned assets as she became colder than DRY ICE, maybe lower temperature than Kelvin Calvin absolute 0 of outer space. Space abhors a vacuum.

4. Ask the Uniquely better questions. A) is this unique. B) What would MAKE this unique. Attracts attention (marketing). Bob Circosta + Apple (Sony Walkman -> iPod). C) is it BETTER. K: Better than the best. D). Is it better (Really...??). Answer: keep your mind, soul, body, spirit OPEN to UNIQUE new answers that solve issues at any level. This is Solution5sTeps.com He is wearing a pink shirt black jacket.

All diversion of our world on HOW to DEAL with basic human issues. If Christ walked in your door with the final Plans of Salvation = Acts of Wisdom with the roadmaps of true righteousness, what would happen? If he did not have a formal request letter, clearance from the legal department, a signed act of Congress, or even a Commandment signed by GOD, most would call security and throw him on the street. Or even threaten to arrest him for violating the sacred privacy space as most of these governments and corporations operate on criminal standards to commit fraud and other violations of basic human right laws because our world has LEGALIZED most crimes in name of the Almighty GOD named PROFIT, FEAR, and DOMINATION. This is the Criminal Ruling Elite.

Feb 18, 2018. Today is Sunday as I attend the Jesus is Lord Rally at famous Jose Rizal Park with at least 10,000 persons in attendance with Bishop Eddie Villinoveoa. I just spent last 3 days on world re-broadcast street missions and going BACK to many of the top government agencies to get ABOVE press Conference request to BE RELEASED to FREE my PEOPLE. That was always the prime center stone reasons why I have been the most above board evangelist crusader of all time BECAUSE of the most horrific crimes committed against me by all these satanic forces to PREVENT my people from rising up to be their own control managers of their own destinies as GOD's faithful believers who see these absolute truths and learn to FEARLESSLY protect the rights of others rather than being such sinners of greed and vice.

At 5 pm I am on far right front at Security checkpoint as they are helping me meet the top elders and visiting pastors from other nations. The banners are simple of 43th church anniversary. Oh, this is NOT JIL. It is 500,000 member Jesus Miracle Crusader Ministry run by ONE single pastor. Is this another brain washed cult. Feb 10, 2018 ### World Press Conference Release Re-post The most tragic reality is CyberCrime Terrorism + Political Corruption. This has always been about A 'FRESH START' for entire world ONLY occurs with Mass Publicity to FINALLY UNIFY all mankind with EVOTE.ONE. This is ABSOLUTELY IMPOSSIBLE without rise up of all mankind of my Muslim + Christian Soldiers, Sailors, Air Force, Marines, INTERPOL, ALL gov Officials, all Religions, literally ALL of the human race. 100% true. Thieves, criminals, terrorists at all levels steal GOD's assets thinking no judgment day by EVOTE.ONE using URLiDent.com ONLY last final open public database Tree of LIFE versus eternal DEATH.

The biggest difference between little boys and grown men is the price and deadly use of their toys. This remains the most powerful UNIFICATION REFORM movement in GOD's name to finally destroy all crime networks all at one time. The Military now consolidates or collapses into one single criminal investigative independent force who look for corruption and crime when any local community refuses to deal with their own underground black market networks.

This is also a direct call for the most Intelligent merit integrity persons to RISE up to literally OVERTHROW all criminals once and for ever. The inheritance is NEVER by the 'Meek and Mild' but for our children, women, and communities of true faith and grace as no mercy should be extended to any criminal

who refuses to immediately surrender as they are clearly collectively showcased to our world on URLiDent.com

The white hat and black hat hackers known as computer science gurus, sages, visionaries and even each of the Bill Gates, Michael Dell, Richard Bronson, Warren Buffets, General Powell, Andrew J Young, Jimmy Carter, and other great leaders of capitalism entrepreneurship now become leading contributing members of our new world society UNlocracy.

Each 'hacker' now contributes their profound pioneering knowledge and skill base to complete the solution5steps.com design and deployment of our worlds first and last open public database that leverages the 'HIVE' Principal of Law of Large Numbers of the Will of Majority of all people.

The Prime requirement is that anyone joining our world wide single society must publish all their financial information, ownership and even reveal any victims and debts they have incurred over their lifetime. This one requirement enables each person to 'pay back' restitution to any of their victims so they can re-enter society as a hard working contribution member of UNlocracy using UNITYurl.com

For our new world society is based on 100% truth, honesty, integrity, open visibility and accountability at all levels of lives. Once NO secrets can exist, no crimes can be committed and go unpunished. The dated deterrence is the publication and publicity of all financial and business transactions as showcased hundreds of times PRIOR to Robert Dee Rose ordering my kidnappings 3 times in Atlanta GA. He is indeed theFinalTerrorist.com who can never escape justice of 7.6 billion people who are beyond outraged with WRATH (righteous anger) that a single mastermind cyber crime terrorist can operate freely worldwide with , secure INC, Caribbean Supply Services, AgileLaw.com that infiltrates all major corporate and government databases to selectively delete any criminal investigations by automated SQL Delete triggers and just a few rogue criminal government agents. Some may even be inside CIA and NCIA (Philippines) and definitely have already infiltrated INTERPOL since I directly contacted the starting Jan 7, 2015.

Each 'saved' hacker is now generically known as a 'BACKER'. One who backs the integrity of all others by performing the required criminal investigation into any collectively reported crime and insures (ensures) each criminal goes to HELL-JAIL by making sure no crime investigation is forged, hacked, or deleted.

iPad VoiceRec 8:35am on World Council of Churches invitation to UNIFY Israel Palenstine and world through the churches. This is NOT communism but UNlcracy as I also repeated HOW our world MUST GO PUBLIC with these absolute basic fundamental truths on HOW to rid our world of all crime networks. My FatherGod Christ Jesus overturned the tables at the JerUSAlem King Solomon's temple (NewZion2.com + IFJC2.com) to destroy the antiChrists who were many of the top religious leaders. Many were extorting their own people out of fear and intimidation of perverting my FatherGod's commandments and acts of wisdom for their own criminal profiteering benefits.
